SUMMARY

Dominic is an accomplished architect with over two decades of experience delivering innovative and award-winning designs across diverse sectors, including Education, Mixed-Use, Multi-Family Residential, Hospitality, Healthcare, Corporate, Civic, and Transportation projects. After earning his degree from the prestigious Tulane University School of Architecture in 2003, Dominic began his career with a prominent New Orleans based firm, where he ascended to principal in 2017, leading a team of nearly 40 professionals. Now, as the Owner and Principal of Willard Design Group, LLC, Dominic continues to foster a culture of curiosity, creativity, and design excellence.

Dominic's portfolio includes projects of all sizes, from small interior renovations to large-scale developments with construction budgets exceeding \$100 million. Renowned for his thoughtful and comprehensive project management, he excels in delivering successful outcomes on complex, fast-track projects that require innovative solutions, meticulous attention to detail, and hands-on leadership. Dominic's expertise and commitment to client satisfaction positions him as a trusted leader in the architectural field.

"Architecture possesses the ability to transform environments, uplift communities, and inspire hope—molding not just structures, but also the lives and neighborhoods they influence." -Dominic
